Secretary,
to the Government of Mysore
Development Department, Bangalore.

SIR,

Subject —

With reference to Government Notification No. L-7640-Ml. 35-32-41 dated 22-5-1933 publishing the preliminary notification regarding the acquisition of property required for the construction of a market at Vadigenahalli Town, Devanhalli Taluk, I have the honour to forward herewith the final declaration statements in English and Kannada, induplicate, countersigned by me, for favour of publication in the Mysore Gazette and for obtaining sanction of Government for the acquisition of the said property. 25 spare copies of the printed notification may kindly be caused to be supplied to this office for wide publication.

It is reported that the preliminary notification was widely published in the locality and served on the anubhavadars as well. One Annaiswamappa, son of Kallanna has made a note on the printed copy of the notification served on him that the compensation should be paid to him. He has not however raised any objection to the acquisition of the said property. The other anubhavadar Maligappa has submitted an objection petition to the Sub Division Officer on 9-9-1933 and another to the Deputy Commissioner on 11- 9- 1934. Both of them are enclosed in the file. The main objections raised therein are (1) that the land was originally a big hollow and that his ancestors have spent a large amount for filling it up, (2) that his ancestors have also spent large amount for sinking a well with stone revetment with a view to rear a flower garden and all the labour and investment will be a waste if the land is acquired for the construction of a market, (3) that some

some time back he was served with a n [illegible] by the [illegible] the place was insanitary on the ground that the water stagnates at the place but that the same spot has been selected for the construction of a market, (4) that there are other Government lands in the town which are better suited for the purpose and that the present proposal is due to the fact that some of the Municipal Councillors bear ill-will against him. For these reasons he requests that this land should not be acquired for the purpose. The Amildar, Devanhalli Taluk and the Sub Division Officer, Dodballapur Sub Division have inspected the land. They state that the objections raised above are frivolous and untenable. The Amildar has further stated that Annaiswamappa referred to above, is not entitled to any compensation in respect of this land as the younger brother Maligappa has been declared by the Civil Court to be the rightful heir to all the properties of his father. This question and the rate of compensation to be awarded will be settled by the Land Acquisition Officer, at the time of passing the award. Under the circumstances the objection does not seem to be valid and the acquisition of the property in question may kindly be sanctioned.

1704 L

The cost of acquisition is estimated at Rs.100/- excluding statutory allowance. The Municipal Council of Vadigenahalli have agreed to meet the cost of acquisition out of Municipal funds (vide extract of resolution dated 24-12-1932 enclosed in the file)

The Assistant Commissioner in charge of Dodballapur Sub Division may kindly be appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Regulation and authorised to take order for the acquisition of the said property.

The connected file of records including the objection petitions are herein enclosed for kind reference and return.

I have the honor to be,
Sir,
Your most obedient servant,
M. [illegible]
Deputy Commissioner,
Bangalore District.
